**JOHN OAKEY AND MOHAN LIMITED**  
**DIRECTORS' REPORT**

To  
**The Members**  
**JOHN OAKEY AND MOHAN LTD**

Your Directors have pleasure in presenting the 57th Annual Report together with Audited Financial Statement of Accounts for the year ended 31st March 2019.

**OPERATIONS**

During the financial year 2018-2019, revenue from operations has been marginally lower at Rs. 240022656/- (Rupees Twenty-Four Crore Twenty-Two Thousand Six Hundred and Fifty-Six Only) as compared to last year's figure of Rs. 250256229/- (Twenty-Five Crore Two Lakh Fifty-Six Thousand Two Hundred and Twenty-Nine Only). Further, during the year under review, Profit before interest, depreciation and taxation was at Rs.19704607/- (Rupees One Crore Ninety-Seven Lakh Four Thousand Six Hundred and Seven Only) as compared to Rs. 16044143/- (Rupees One Crore Sixty Lakh Forty-Four Thousand One Hundred and Forty-Three only) in the previous year ended 31st March 2018. This was mainly due to the decrease in Depreciation and reduction under salaries provision. The Company has been able to retain a net profit of Rs.7636696/- (Rupees Seventy-Six Lakh Thirty-Six Thousand Six Hundred and Ninety-Six only) as compared to Rs.2391602/- (Rupees Twenty-Three Lakh Ninety-One Thousand Six Hundred and Two Only) in previous year.

Your company, despite the stiff competition and challenges from other suppliers, who have recently been established in the region, has tried its level best to maintain its position. In spite of all hurdles, your board has never given up and consistently tried to take all good efforts to make the company operational at positive and improved level. Your Board is continuously working towards betterment of the company, its stakeholders and the general public at large and they are very much positive to make it possible in time to come.

**MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

**INDUSTRY STRUCTURE & DEVELOPMENT**

Coated abrasives are the abrasive products manufactured by gluing synthetic and natural abrasive grains such as aluminum oxide, silicon carbide, zirconia alumina, emery and garnet. These abrasive grains are supported by materials such as paper, cloth, fiber and polyester film. Coated abrasives are manufactured in the form of jumbo rolls, which are then cut into various shapes that include belts, discs, sheets and rolls for polishing and surface-treatment applications.

Coated abrasives are used to grind, scour, clean, abrade or remove solid material by rubbing action or by impact. Coated abrasives market is the second-largest market for abrasives products and is expected to record a strong growth in the near future. Growing demand for coated abrasives from several industries, such as the welding, furniture, jewelry, automotive, foundry and do-it-yourself markets, is expected to drive the coated abrasives market across the globe.

The coated abrasive products find applications in several industries such as auto OEM, auto ancillaries, general engineering, fabrication, furniture and flooring among others. The use of coated abrasives in abrasion applications is rapidly increasing as their use results in better surface finishes with higher productivity. Owing to such striking benefits, majority of the industrial abrasive users consider coated abrasive as a better option over their counterparts.

The higher productivity offered by the coated abrasive systems is anticipated to drive the demand for coated abrasive products in the coming years. Due to the rising popularity of coated abrasives, the manufacturers of cutting tools are designing and developing equipment and machines suitable for coated abrasive systems. Apart from the conventional products, the manufactures of coated abrasive products are focusing their attention on recently introduced products such as nonwoven fabric abrasives, flexible belts, seeded gel abrasives, polyester backed abrasives and wide belts. These recently developed products are expected to provide lucrative opportunities for the manufacturers of coated abrasives in the next few years.

In terms of percentage, Rest of the World (RoW), which comprises South America, Africa and the Middle East, accounts for a single digit share in the global coated abrasives. However, growing demand from the Middle East and African countries along with Latin American nations is predicted to drive the coated abrasives market in the RoW region in the coming years.

The global abrasives market is segmented based on region. Asia Pacific represents the largest and the fastest growing market for the abrasives industry and China is the largest producer of abrasive materials and abrasive products.

**KEY OPPORTUNITIES**

- The growing demand for various types of abrasives from transportation, building & construction and other durable goods industries is expected to drive the Asia Pacific abrasives market in the near future. Europe was the second largest market for abrasives followed by North America and Rest of World. Asia Pacific is expected to be the most attractive market for abrasives in the future. Europe and North America are expected to exhibit sluggish growth as compared to Asia Pacific and Rest of World.

- Asia Pacific is the largest regional market for coated abrasives and accounts for almost half of the global market. Growing demand from developing nations in Asia, especially China and India, is expected to drive the demand for coated abrasives in the Asia Pacific market.
- The rapid growth in industries such as automotive, machinery and fabrication in Asia is anticipated to drive the Asia Pacific market for coated abrasives in the next six years. Asia Pacific is followed by North America and Europe in the global coated abrasives market.
- India is the second largest populated country in the world and is expected to see its population expand from 1.2 billion people currently to 1.5 billion people in 2026. This will result in an increase in the industry as a whole and is expected to grow demand for all kinds of abrasive products.

### **THREATS & CHALLENGES**

The major challenge today for Indian abrasive Sector is that on one hand it is poised for growth and better standards of amenities and on the other hand there exist poor infrastructure, demand supply, geographical accessibility and availability of cheaper funds etc.

There has been arisen in the number of corporate groups with heavy pockets foraying into this sector through green field activities, JVs and acquisitions. Some of the major companies operating in the global coated abrasives market are Saint-Gobain Abrasives, 3M, Robert Bosch GmbH, DuPont, Cabot Microelectronics Corp., Hermes Abrasives Ltd., VSM Abrasives Corp., Henkel AG & Co. KGaA, Asahi Diamond Industrial Co., Ltd., Almatix GmbH, Fujimi Inc., Carborundum Universal Ltd. and Jason Inc.

Increasing inflation in India is depleting the purchasing power of parties and is intensifying the cost of living. There is also upward pressure on other costs such as transportation, supplies, equipment and other expenses, and an inability to manage costs or pass increased costs onto parties will lead to compressed returns.

### **OUTLOOK**

The Coated Abrasive sector in India is undergoing a phase of reformed propelled by rapid economic growth. The future looks bright and promising keeping in view the initiatives being taken for Infrastructure Reforms. Automobile Reforms etc.

Joan Oakey and Mohan Limited is committed to deliver quality products through the use of cutting edge technology to the utmost satisfaction and well-being of the users.

FOR THE FINANCIAL YEAR ENDED ON 31ST March, 2019**

*[Pursuant to section 204(1) of the Companies  
(Appointment and Remuneration Personnel) Rules, 2014]*

To,

**THE MEMBERS,  
JOHN OAKEY AND MOHAN LIMITED  
Office No-4, FF, CSC Pocket E Market,  
Mayur Vihar Phase-II, Delhi  
East Delhi, Delhi-110091**

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by John Oakey and Mohan Limited (hereinafter called the "Company"). The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on my verification of the Company's records and also the information provided by the Company, its officers, agents and authorized representatives during conduct of the secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended 31st March, 2019, complied with the statutory provisions listed hereunder and also that the Company has proper board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2019, according to the provisions of:

- I) The Companies Act, 2013 (the Act) and the rules made thereunder;
- II) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- III) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- V) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -

- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; [There were no instances of substantial acquisition of shares and takeover during the period under review]
- b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; [Not Applicable as the Company has not issued any further capital under the regulations during the period under review]
- d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; [Not Applicable as there is no scheme for direct or indirect benefit of employees involving dealing in or subscribing to or purchasing securities of the company, directly or indirectly]
- e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 [Not Applicable as the Company has not issued and listed any debt securities during the financial year under review];
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client [Not Applicable as the Company is not registered as Registrar to Issue and Share Transfer Agent during the financial year under review];
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 [Not Applicable as there were no instances of delisting of equity shares];
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 [Not applicable as the Company has not bought back and there was no proposal for buy-back of its securities during the financial year under review].

Apart from other applicable laws, the Management has identified and confirmed the following laws as specifically applicable to the Company: -

- a) The Negotiable Instrument Act, 1881.
- b) The Income Tax Act

I have also examined compliance with the applicable clauses of the following:

- a) Secretarial Standards with regard to Meeting of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India;

**INDEPENDENT AUDITOR'S REPORT**

To the members of  
**John Oakey and Mohan Limited**

**Report on the Audit of the Financial Statements**

**Opinion**

We have audited the accompanying financial statements of John Oakey and Mohan Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the [Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended ("Accounting Standards")] and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and total comprehensive income (comprising of profit and other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. We have determined

that there are no key audit matters to communicate in our report.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. The information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Corporate Governance Report are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- When we read Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Corporate Governance Report, if we conclude, that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern

and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements may arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements,

## **JOHN OAKEY AND MOHAN LIMITED**

---

including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
  - e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is

disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial control over financial reporting of the Company and the operating effectiveness of such control, refer to our separate Report in “Annexure A”
  
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act
  
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 35 to the financial statements;
  
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
  
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

**ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT**

Referred to in paragraph 2f of the Independent Auditors’ Report of even date to the members of John Oakey and Mohan Limited on the financial statements for the year ended March 31, 2019

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **JOHN OAKEY AND MOHAN LIMITED** (“the Company”) as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Notes to the Financial Statements for the year ended March 31, 2019**

**1 Corporate Information**

John Oakey and Mohan Limited ("The Company") is a public limited company incorporated in India, listed on the Matropolitan Stock Exchange. The registered office of the Company is situated at Office No. 4 FF, CSC Pocket E Market, Mayur Vihar Phase II, Delhi-110091.

The Company is engaged in single primary business of manufacturing and sale of "Coated Abrasives", and has only one reportable segment.

The financial statements for the year ended March 31, 2019 are authorised and approved for issue by the Board of directors on May 30, 2019.

**2. Significant accounting policies**

**2.1 Statement of compliance**

The financial statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

**2.2 Basis of preparation and presentation**

The financial statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below. Historical cost is generally based on the fair value of the consideration given in exchange of goods or services.

All assets and liabilities have been classified as current or noncurrent according to the Company's operating cycle and other criteria set out in the Act. Based on the nature of products and the normal time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

The Company has uniformly applied the Accounting Policies during the periods presented unless otherwise stated.

**2.3 Use of estimates and judgements**

The preparation of these financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented.

**Notes to the Financial Statements for the year ended March 31, 2019**

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected. In particular, information about significant areas of estimation/ uncertainty and judgements in applying accounting policies that have the most significant effects on the financial statements are included in the following notes:

- Recognition and estimation of tax expense including deferred tax- Note 8 & 32
- Estimation of obligations relating to employee benefits: key actuarial assumptions- Note 2.7
- Valuation of Inventories – Note 2.12
- Fair Value Measurement of financial instruments – Note 2.14

**2.4 Revenue recognition**

Ind AS 115 was made effective from April 1, 2018 and establishes a five-step model to account for revenue arising from contracts with customers. The new revenue standard replaced Ind AS 18 and interpretations on revenue recognition related to sale of goods and services. The Company has adopted the new standard for annual periods beginning on or after April 1, 2018 using cumulative effect method.

**2.4.1 Measurement of revenue**

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, incentive schemes, if any, as per contracts with customers. Taxes collected from customers on behalf of Government are not treated as Revenue.

**2.4.2 Sale of goods**

Revenue from sale of goods is recognised when the company satisfies its performance obligation by transferring goods to the customer i.e. when the customer obtains control of the goods.

**2.4.3 Variable consideration**

If consideration in a contract includes a variable amount, the Company estimates amount of consideration to which it will be entitled in exchange for transferring the goods to customer. Variable Consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in amount of cumulative revenue recognised will not occur when associated uncertainty with variable consideration is subsequently resolved. Some contracts for sale of manufactured goods provide customers with a right of Incentives & Discounts. The Incentives and Volume Rebates give rise to variable consideration.

- i. **Cash Discount** which are determinable on the date of transaction, are recognised as reduction of revenue by the company.

**Notes to the Financial Statements for the year ended March 31, 2019**

- ii. **Volume Discounts** the Company provides retrospective volume discounts to certain customers once the quantity of products purchased during the period exceed a threshold specified.

In such cases, the Company estimates fair value of Incentives promised to its customers. To estimate the variable consideration for the expected future rebates and discount, the Company applies the expected value method. The Company estimates variable consideration and recognises a refund liability for the expected future rebates. Accordingly, the company recognises lesser revenue if such discounts are probable and the amount is determinable. Any subsequent changes in the amount of such estimates are transferred to statement of profit and loss.

**2.4.4 Dividend and interest income**

Dividend income from investments is recognised when the shareholders' right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income from a financial asset is recognised using the effective interest method.

**2.5 Leases**

Leases are classified as finance leases when the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Rental expense from operating leases is recognised on a straight line basis over the term of the relevant lease.

**2.6 Functional and presentation currency**

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

**Foreign Currency Transactions and balances**

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

**2.7 Employee benefits**

**Notes to the Financial Statements for the year ended March 31, 2019****2.7.1 Short-term obligations**

Liabilities for wages and salaries including non-monetary benefits that are expected to be settled within the operating cycle after the end of the period in which the employees render the related services are recognised in the period in which the related services are rendered and are measured at the undiscounted amount expected to be paid.

**2.7.2 Defined Contribution Plans**

Company's contribution paid/payable during the year to provident fund and employee state insurance are recognized as an employee benefit expense in the statement of profit and loss. For the Provident Fund Trust administered by the Company, a shortfall in the size of the fund maintained by the trust is additionally provided for in profit or loss.

**2.7.3 Defined benefit plans**

The liability recognized in respect of gratuity is the present value of defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuary using the Projected Unit Credit Method. Remeasurement comprising actuarial gains and losses and return on plan assets (excluding net interest) are recognized in the other comprehensive income for the period in which they occur and is not reclassified to profit or loss.

**2.7.4 Compensated absences**

Liabilities for leave encashment and compensated absences which are not expected to be settled wholly within the operating cycle after the end of the period in which the employees render the related service are measured at the present value of the estimated future cash outflows which is expected to be paid using the projected unit credit method. Actuarial gains and losses are recognised in statement of profit or loss in which they occur.

**2.8 Income-taxes**

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

**Notes to the Financial Statements for the year ended March 31, 2019**

Deferred income tax are calculated using Balance Sheet Approach, on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except when it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences and the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are also recognised in other comprehensive income or directly in equity respectively.

**2.9 Property, plant and equipment**

The cost of Property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other those subsequently recoverable from the tax authorities), any directly attribute expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced.

**Depreciation methods, estimated useful lives and residual value**

Depreciation is calculated using the written-down value line method over their estimated useful lives prescribed in Schedule II of the Companies Act, 2013 except for assets costing Rs.5,000 or less, which are depreciated fully in the year of purchase. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its residual value.

**Notes to the Financial Statements for the year ended March 31, 2019**

The following useful lives are applied :

<b>Asset Category</b>	<b>Estimated useful life (in years)</b>
<b>Buildings</b>	
- Freehold factory buildings	10 Years
<b>Plant and Equipments</b>	15 Years
<b>Furniture and Fittings</b>	10 Years
<b>Motor Vehicles</b>	08 Years
<b>Office Equipment and Electrical Installation</b>	03-05 Years

**2.10 Intangible assets**

Intangible assets are stated at cost less accumulated amortization and accumulated impairment loss, if any. Amortization of intangibles comprising of software is provided on straight line basis over 4 years being its estimated useful life.

**2.11 Impairment of tangible and intangible assets**

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

**2.12 Inventories**

Inventories are valued at the lower of cost and net realisable value. The cost is determined as under:

Stores and Spares – First in First Out

Raw materials and stock in trade : Yearly weighted average

Finished Goods and Work in process : The cost of finished goods and work in progress comprises raw materials, direct labour, other direct costs and appropriate proportion of variable and fixed overhead expenditure.

**Notes to the Financial Statements for the year ended March 31, 2019**

Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

**2.13 Provisions and contingencies**

**Provisions:**

Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessment of the time value of money and the risks specific to the liability.

**Contingent Liabilities:**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

**2.14 Financial instruments**

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial instruments (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss. Subsequently, financial instruments are measured according to the category in which they are classified.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

**Classification of financial assets**

Classification of financial assets depends on the nature and purpose of the financial assets and is determined at the time of initial recognition. The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and

**Notes to the Financial Statements for the year ended March 31, 2019**

- those measured at amortised cost

A financial asset that meets the following two conditions is measured at amortised cost unless the asset is designated at fair value through profit or loss under the fair value option:

- The objective of the Company's business model is to hold the financial asset to collect the contractual cash flows.
- Cash flow characteristic test : the contractual term of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option:

- Business model test : the financial asset is held within a business model whose objective is achieved by both collecting cash flows and selling financial assets.
- cash flow characteristic test : the contractual term of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are measured at fair value through profit or loss.

**Financial assets carried at amortised cost**

A financial asset is subsequently measured at amortised cost if it is held in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Financial assets carried at fair value through other comprehensive income (FVTOCI):** The Company has equity investments in certain entities which are not held for trading. The Company has elected the fair value through other comprehensive income irrevocable option for all such investments. Dividend on these investments are recognised in profit or loss.

**Financial assets carried at fair value through profit or loss (FVTPL)** Investment in equity instrument are classified at fair value through profit or loss, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Financial assets that do not meet the amortised cost criteria or fair value through other comprehensive income criteria are measured at fair value through profit or loss. A financial asset that meets the amortised cost criteria or fair value through other comprehensive income criteria may be designated as at fair value through profit or loss upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency

**Notes to the Financial Statements for the year ended March 31, 2019**

that would arise from measuring assets and liabilities or recognising the gains or losses on them on different bases.

Financial assets which are fair valued through profit or loss are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss.

**FINANCIAL LIABILITIES**

Financial liabilities are classified at initial recognition as financial liabilities at fair value through Profit or Loss, Loans and Borrowings, and Payables, net of directly attribute transaction costs. The Company's financial liabilities include Loans and Borrowings including Bank Overdraft, Security Deposit received, Trade Payable, Liabilities towards Services and Other Payables.

All Financial Liabilities are recognised initially at fair value and transaction cost that is attribute to the acquisition of the Financial Liabilities is also adjusted. Financial Liabilities are classified as amortised cost.

A Financial Liability is de-recognised when the obligation under the liability is discharged or cancelled or expired. Consequently write back of unsettled credit balances is done on the previous experience of Management and actual facts of each case and recognise in Other Income. When an existing Financial Liability is replaced by another, from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such as exchange of modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

**OFFSETTING OF FINANCIAL INSTRUMENTS**

Financial Assets and Financial Liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

**2.15 Trade receivables**

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost less provision for impairment. The Company follows 'Simplified Approach' for recognition of impairment loss allowance on trade receivables. The application of simplified recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

**2.16 Cash and cash equivalents**

Cash and cash equivalents includes cash in hand, cheques and drafts in hand, balances with bank and deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

**Notes to financial statements for the year ended March 31, 2019****2.17 Impairment of financial assets**

The Company recognizes loss allowances using the expected credit loss for the financial assets which are not measured at fairvalue through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime expected credit loss.

**2.18 Earning Per Share**

Basic earning per share is computed by dividing the net income by the weighted average number of shares outstanding during the year. Diluted earning per share is computed using the weighted average number of shares and diluted potential shares, except where the result would be anti-dilutive.

**2.19 Dividends**

Final dividends on shares are recorded on the date of approval by the shareholders of the Company.

**2.20 Exceptional Items**

Exceptional items are transactions which due to their size or incidence are separately disclosed enable a full understanding of the Company's financial performance. Items which may be considered exceptional are significant restructuring chargers and significant disposal of fixed assets.

**2.21 New and Amended Standards during the year**

The Company applied Ind AS 115 for the first time. The nature and effect of the changes as a result of adoption of these new accounting standards are described below.

**2.21 Ind AS 115 Revenue from Contracts with Customers**

The Company applied Ind AS 115 for the first time by using the Cumulative effect method of adoption with date of initial application from April 1, 2018. Under this method Comparative prior period is not adjusted and the cumulative effect of initially applying Ind AS 115 is recognised as an adjustment to the opening balance of retained earnings as at April 1, 2018.

There was no impact on retained earnings as on April 1, 2018 on adoption of Ind AS 115.

**2.22 Standards Issued but not Effective****2.22.1 Ind AS 116 'Leases'**

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind. AS 116 will replace the existing leases Standard, Ind As 17 Leases, and related Interpretations.

**Notes to financial statements for the year ended March 31, 2019**

New standard permits two possible methods of transition i.e. Full Retrospective or Modified Retrospective.

The Company will adopt the standard on 1st April 2019 by using Modified retrospective effect method and accordingly comparatives for year ended 31st March 2019 will not be retrospectively adjusted.

The Company expects that there will be no impact on account of this amendment.

**2.22.2 Amendment to Ind AS 19 - Plan Amendment, Curtailment or Settlement**

On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements.

Effective date for application of this amendment is annual period beginning on or after 1st April, 2019. The Company expects that there will be no impact on account of this amendment.

**2.22.3 Amendment to Ind AS 12-'Income Taxes'**

On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company expects that there will be no impact on account of this amendment.

**2.22.4 Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments**

On March 30, 2019, Ministry of Corporate Affairs has notified Ind As 12 Appendix C, Uncertainty over Income Tax Treatments.

The Standard permits two possible methods of transition i.e. Full retrospective or Retrospectively with Cumulative Effect

The Company will adopt the standard on April 1, 2019 by using the Retrospectively with Cumulative Effect method and accordingly comparatives for the year ending or ended March 30, 2019 will not be retrospectively adjusted.

The Company expects that there will be no impact on account of this amendment.

**(vii) Risk exposure**

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such company is exposed to various risks as follows:

A) Salary Increases - Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.

B) Investment Risk - If Plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.

C) Discount Rate - Reduction in discount rate in subsequent valuations can increase the plan's liability.

D) Mortality & disability - Actual death & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.

E) withdrawals - Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liabilities.

# The Company's borrowings have been contracted at floating rates of interest, which resets at short intervals. Accordingly, the carrying value of such borrowings (including interest accrued but not due) approximates fair value.

\* The carrying amounts of trade receivables, trade payables, cash and cash equivalents, investments bank balances other than cash and cash equivalents and other financial assets and liabilities, approximates the fair values, due to their short-term nature. The other non-current financial assets represents security deposits given to various parties, loans and advances to employees and bank deposits (due for maturity after twelve months from the reporting date), and other non-current financial liabilities, the carrying value of which approximates the fair values as on the reporting date.

**Notes to the Financial Statements for the year ended March 31, 2019**

**Fair Value hierarchy**

- Level 1 :** Quoted prices in the active market. This level of hierarchy includes financial assets that are measured by reference to quoted prices in the active market.
- Level 2 :** Valuation techniques with observable inputs. This level of hierarchy includes items measured using inputs other than quoted prices included within Level 1 that are observable for such items, either directly or indirectly.
- Level 3 :** Valuation techniques with unobservable inputs. This level of hierarchy includes items measured using inputs that are not based on observable market data (unobservable inputs). Fair value determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor based on available market data. The main item in this category are unquoted equity instruments and quoted equity instruments for which the market data is not available.

**Valuation processes**

The fair value of unquoted equity instruments or equity instruments where market data is not available is determined by the valuers

**b. Financial risk management**

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk - Interest rate
- Price risk - BSE Index

**Risk management framework**

Financial risk management within the Company is governed by policies and guidelines approved by the senior management and the Board of Directors. These policies and guidelines cover interest rate risk, credit risk and liquidity risk. Company policies and guidelines also cover areas such as cash management, investment of excess funds and the raising of short and long-term debt. Review of the financial risk is done regularly by the senior management and the Board of Directors.

**Notes to the Financial Statements for the year ended March 31, 2019**

**Note No. 42.**

**Financial instruments – Fair values and risk management - continued**

**(i) Credit risk**

The maximum exposure to credit risks is represented by the total carrying amount of these financial assets in the Balance Sheet:

(All amounts in Rs. unless stated otherwise)

Particulars	Note Reference	As at March 31, 2019	As at March 31, 2018
Trade receivables	10	71,240,015	66,881,916

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

Credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with scheduled banks.

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables. Maximum Trade receivables are unsecured and are derived from revenue earned from customers primarily located in India. The Company manages its credit risk through continuous monitoring credit worthiness of customers to which the Company grants credit terms in the normal course of business.

"The Company establishes an allowance for impairment that represents its expected credit losses in respect of trade receivable. The management uses a simplified approach (i.e. based on lifetime ECL) for the purpose of impairment loss allowance. However the Company based upon historical experience determines an impairment allowance for loss on receivables."

**The Company's exposure to credit risk for trade receivables is as follows:**

(All amounts in Rs. unless stated otherwise)

Particulars	Gross carrying amount	
	As at March 31, 2019	As at March 31, 2018
1-180 days	62,726,449	62,995,932

More than 365 days	2,837,993	1,273,803
	<b>71,240,016</b>	<b>66,881,916</b>

The Company continuously reviews the credit given and the recoverability of the amounts due. Majority of trade receivables are from the customers with whom the Company has long outstanding satisfactory dealings.

**Note No. 42.****Financial instruments – Fair values and risk management - continued****(ii) Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company's liquidity management process as monitored by management, includes day to day funding, managed by monitoring cash flows to ensure that requirements is met.

**(iii) Market risk**

Market risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: currency risk and interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

The Company's operations are mainly in India and therefore rupee denominated, except import of some raw materials and stores.

**Currency risk**

Currency risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates.

**Exposure to currency risk**

The Company did not have any exposure to currency risk, as expressed in Indian Rupees, as at March 31, 2019, March 31, 2018.

(iii) Market risk

Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Exposure to interest rate risk

The Company's interest rate risk arises majorly from the borrowings from banks carrying floating rate of interest. The exposure of the Company's borrowing to interest rate changes as reported to the management at the end of the reporting period are as follows:

(All amounts in Rs. unless stated otherwise)

**Note No. 43.**

**Capital management**

For the purpose of the Company's capital management, capital includes issued equity share capital and all other equity reserves attributable to the equity holders of the company. The primary objective of the management of the Company's capital structure is to maintain an efficient mix of debt and equity in order to achieve a low cost of capital, while taking into account the desirability of retaining financial flexibility to pursue business opportunities and adequate access to liquidity to mitigate the effect of unforeseen events on cash flows.

The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions. To maintain or adjust the capital structure, the Company may return capital to shareholders, raise new debt or issue new shares.

The Company monitors capital on the basis of the debt to capital ratio, which is calculated as interest-bearing debts divided by total capital (equity attributable to owners of the company plus interest-bearing debts).
